ADTiger Anti-Fraud Policy

Integrity and honesty are the core values of ADTiger. In order to safeguard the legitimate interests of our clients, partners, and shareholders, and to promote the healthy development of the enterprise, we have established relevant policies and taken a series of measures to prevent, detect, and stop corruption or any behavior that violates the company's values of integrity.

All ADTiger employees must comply with the "Anti-Fraud Policy". All types of corruption, fraud, and any actions that do not comply with laws and regulations are strictly prohibited. We encourage all employees and suppliers/business partners to report any corruption, fraud, or violations involving ADTiger employees that have occurred or may occur through the following channel:
